Products

Professional Dishwashers

The **PG 8055 SPEED** and **PG 8056 SPEEDPlus** are the fastest commercial dishwashers using the fresh water circulation system and are ideal for hotels, restaurants, clubs and schools. With its shortest wash cycle of just 5 minutes it can wash up to 456 plates an hour. Two rack levels add to its flexibility and cleaning performance.

The **PG 8058 BRILLIANT** produces perfect wash results with a sparkling finish, dispensing with the need to polish glassware and cutlery if supplied from a Reverse Osmosis (RO) water system. This feature combined with the fresh water circulation system are unique to Miele Professional. The PG 8058 BRILLIANT model is recommended by Riedel for their on-premise glasses.

The **PG 8059 HYGIENE** dishwashers with its uncompromising cleaning system provides exceptionally high standards of hygiene making it ideal for hospitals, nursing homes and nursery schools.
